

Dear Parents/Guardians,

In an on-going effort to maintain safe school arrival and dismissal, we have been working in collaboration with **City of Vaughan | By-law & Compliance, Licensing & Permit Services**. They have provided the following information to assist you with parking decisions when dropping off or picking up your child(ren).

A reminder that vehicles are not permitted to enter the school driveway between:

8:30am to 9:00am and 3:30pm to 4:00pm

Any vehicle in the staff parking lot area must wait until 9:00am or 4:00pm to exit; or wait for the person on duty to wave them out. Pedestrians always have the right of way.
