Dear Parents and Guardians,

We are once again holding our annual *WE Scare Hunger* food drive as part of a *WE School* initiative. When we come together to collect food for people struggling with hunger, we can help ensure they have the resources to feed themselves and their families. By supporting *WE Scare Hunger*, we can contribute to our community and also raise awareness of the root causes of hunger.

If you wish to make a donation please send non-perishable items with your child to school from October 23rd to October 31st. Suggested food items are listed below.
